

WEEKLY SNAPSHOT

Refurbishment of EATS building

Administration building facade

ADMINISTRATION BUILDING

- Work underway to install feature ceilings on level one
- Feature stone being installed on exterior façade
- Painting and tiling underway on ground level
- External seating, paving and garden beds installed at the entry
- Work underway on the installation of internal walls and ceilings on levels 1 to 6
- Installation of exterior curtain walls continues

EATS

- Demolition of the EATS awning is now complete
- Demolition of old lift underway
- Feature brickwork installed around existing columns on the façade
- Gutting, roofing and framing for cladding to commence next week

CIVIC PLAZA

- All works are now complete ahead of opening in late 2020

LIBRARY

- Library is completed and has been handed over to the libraries team for fit out

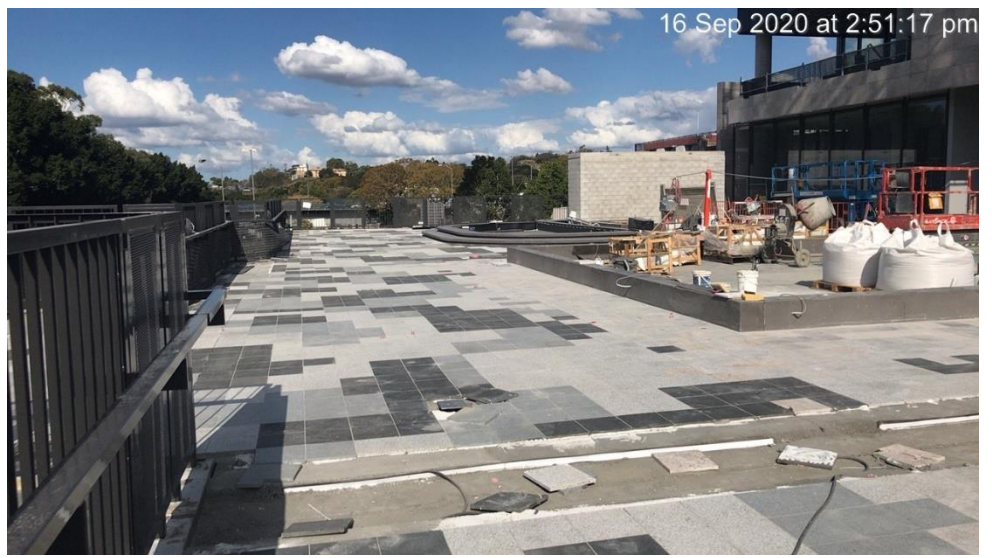

UPDATES

Please be advised that Bottle Alley will be temporarily closed from 6am Wednesday 7 October to 6pm Friday 30 October to allow for further works on the EATS precinct and improvements to the alley.

Temporary diversion and detour signage will be put in place to direct pedestrians.

FAST FACT

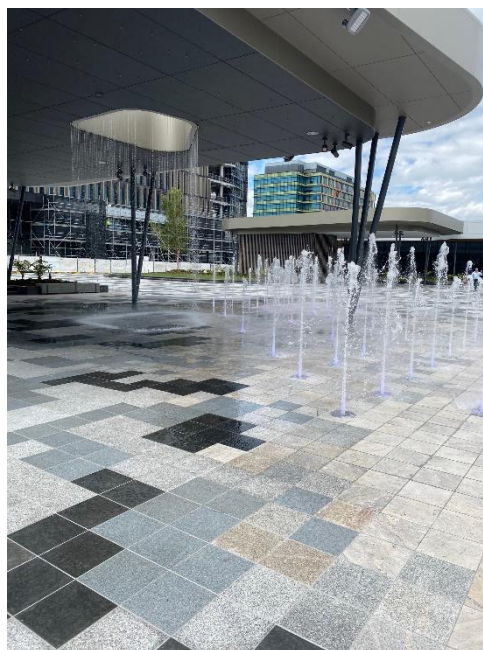

- 165 workers across the Library, Civic Plaza and Administration Building this week.

Paving and garden beds outside administration building

L: Children's library exterior R: internal fitout in administration building

L: water features by day R: new lift and stair access to Bradfield Bridge
